

**Microsoft®**

**Microsoft, Windows® 98, your PC, and the Internet.**  
(some things just click)

• **Start clicking here**

to connect to the Internet with the Microsoft Network.

Begin your **free\* month** of Internet access and unlimited  
e-mail now—the software's already on your Windows® 98 CD!

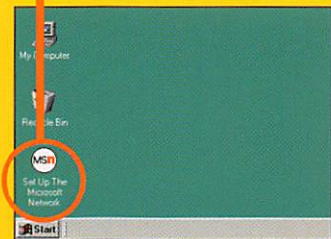

# Get a free\* month of Internet access and unlimited e-mail!

Get online fast with Internet access from MSN™, the Microsoft Network.  
Everything you need to get started is already on your Windows® 98 CD!

## Just click

to get online today! Here's how:

1. Insert the Windows 98 CD in your CD-ROM drive
2. Click the MSN icon on your Windows 98 desktop
3. Follow the simple instructions (make sure to read the Membership Agreement)
4. When prompted for a REG #, enter 5555-DM-7777

Click the MSN icon to start your free\* month of unlimited e-mail and fast Internet access! Then, if you like the service, do nothing when your free\* trial is over and you'll automatically continue to enjoy Internet access from MSN, charged monthly to your credit card on your choice of payment plans.

Internet access and e-mail are just a part of MSN. If you already have Internet access, go to [www.msn.com](http://www.msn.com) and check out the Microsoft Network's great online services for news, travel, personal finance, and education.

**Click the MSN icon now and see how Microsoft can help you get the most from your Windows 98-based PC and the Internet.**

## Microsoft®

\*One month free trial available to new members of MSN in the 50 United States and the District of Columbia only. A credit card is required. MSN premium charges, access charges (if access purchased from provider other than MSN), local phone and/or long distance toll charges may apply. Access availability may be affected by local market network activity and capacity. Offer expires June 30, 1999.
